

# ST KATHARINE'S REVIEW OF 2022 - 2023

## OUR SUCCESSES

### SCHOOL CULTURE & ETHOS

Pupils live the school's values of grace, integrity and aspiration every day...develop their wellbeing through the school's 'head, heart, hands' approach... thinking 'inside out' promotes their individual spirituality.

### LEADERSHIP

Highly credible leadership, which is ambitious and inspirational, runs through the heart of this school. Staff are overwhelmingly positive about the support they receive.

### TEACHING AND LEARNING

Pupils learn individual subjects and build progressively towards aspirational outcomes by the time they leave. Leaders, including governors, are steadfast ... pupils receive a high-quality education.

### SEND PROVISION

Provision for pupils (SEND)... is very well led. The team provides appropriate academic and pastoral support for each pupil at the right time.... enables all pupils to learn with appropriate adaptations in the classroom.

### READING

Leaders prioritise reading so that pupils learn to read as soon as they start at the school. Appropriate support is in place for pupils who are finding reading difficult. Older pupils develop into tenacious readers.

### WHOLE CURRICULUM

There is a buzz about what pupils experience at the school. Cultural development is pivotal...musical elements are extremely strong...proud of the host of physical education and sporting achievements.

### BEHAVIOUR

Leaders have very high expectations for behaviour, and the pupils do not disappoint. ...no pattern around bullying. The playground is a hive of activity ... and joyful play.

### SAFEGUARDING

There is a strong safeguarding culture at this school. All staff understand the policies and procedures to keep pupils safe.
